

To view the draft 2018 SLAA please download the following PDF files that are hosted on Dropbox:

[1 Draft Strategic Land Availability Assessment \(SLAA\) 2018](#)

[2a Deliverable Sites Portfolio \(Table\)](#)

[2b Deliverable Sites Portfolio \(Plans\)*](#)

[3 Index Map for Set-aside and Undeliverable Sites Portfolio in the Green Belt \(Files 3a-3c\)](#)

[3a Set-aside and Undeliverable Sites Portfolio*](#)

[3b Set-aside and Undeliverable Sites Portfolio*](#)

[3c Set-aside and Undeliverable Sites Portfolio*](#)

*File sizes are large (7-25 MB) as the documents include plans. A key for the Local Plan Policies Map extracts of which are included in the plans within these files can be accessed via viewing the [Gravesham Local Plan Core Strategy – Policies Map](#).

Please note the following:

1. Whilst we have endeavoured to identify sites that may be impacted by the Lower Thames Crossing this information will not be complete until Highways England provide further information regarding their proposals.

The Lower Thames Crossing 'red line' boundary can be viewed at:

<https://www.gravesham.gov.uk/home/planning-and-building/major-projects-and-developments/lower-thames-crossing>

2. This current draft does not include all the sites submitted in 2017 and 2018, these sites will be taken into consideration when the draft SLAA is updated to inform the Regulation 18 Stage 2 Site Allocations and Development Management Document Consultation in scheduled for 2019.
